## **MESSAGE FROM PEOPLE OF KHAMRANG**

It is our privilege to present this Khamrang Responsible Tourism Rules 2023 in line with the Mizoram Responsible Tourism Policy 2020, the guidelines for visitors for smart tourism in Khamrang. This rule sets the direction for responsible and sustainable tourism approach in Khamrang and its tourism growth in the years to come.

To achieve long-term industry profitability and sustainability for the local communities, we all must consistently deliver the pristine paradise of Khamrang that our visitors expect while facilitating village economic growth.

The future of tourism in Khamrang depends on our collective ability to transform this industry and ensure that its growth is managed in such a way that it addresses sustainable economic, environmental, and social objectives. To this end, job creation, tourism development, and industry linkages to community benefits are absolute necessities.

The successful implementation of this regulation will require collaboration and partnerships amongst the Government, visitors and villagers. We look forward to seeing those partnerships continue as we work to deliver Khamrang tourism for everyone.

Finally, we sincerely convey our gratitude to Tourism Department, Government of Mizoram for their unwavering support and commitment to build tourism ecosystem in Khamrang
