

**No.D.21018/68/2009-TOUR
GOVERNMENT OF MIZORAM
TOURISM DEPARTMENT**

Dated Aizawl, the 20th July 2022

OFFICE MEMORANDUM

There have been instances where Government Officials expect preferential treatment while availing accommodation at Tourist Lodges which has always created awkward situations for the employees looking after the facilities.

There have also been instances when Government Officials instruct the staff looking after facilities to book/block rooms for their guests. This too has always created a bigger problem in online booking system as Mizoram Tourism has gone online for booking of rooms in its all properties.

For the general information of all Government Officials as well as the public, Tourism Department, Government of Mizoram, hereby reiterates again that Tourist Lodges are primarily meant for tourists and travelers and are not to be treated at par with Government facilities such as Circuit Houses, Mizoram Houses, State Guest House, Inspection Bungalows etc where protocol is strictly maintained

Further, Tourist Lodges and Facilities maintained by Tourism Department treats everyone as equal on '**first come first serve**' basis through online booking at www.mizoramtourism.com, which is mandatory for all including Government Officials.

Hence preferential treatment and manual booking should not be expected by the Government Officials even if they are on official duty.
